Connecting Kids to the Knox Community Project

The Connecting Kids to the Knox Community Project is a pilot program that is designed by Knox Infolink to provide those aged 5-18 years, in the Knox community, with access to sport and recreational activities, they usually would not have access to.

With support from local businesses and sporting and recreational clubs, Knox Infolink have created a Register of Clubs and Activities that are willing to offer either a free or reduced fee place to you or your child.

If you would like more information and a Referral form to Register, please contact us on:

97611325

info@knoxinfolink.org.au
